

JMCS (GLASGOW) COVID 19 INFORMATION

Updated 24 Jan 2022

In these unprecedented and difficult times affecting people across the world, sport still has a role in maintaining our physical, mental and social wellbeing.

In view of this, the club is continuing organised activities in the form of day meets, evening climbing meets, and weekend hut meets following Covid guidelines.

The club is endeavouring to comply with the guidelines issued by Mountaineering Scotland (MS) and the Scottish Government (SG).

Each club has the responsibility to appoint a Covid officer to act as the point of contact on all things related to Covid.

Douglas McKeith has been appointed Covid officer for our club.

CLUB ACTIVITIES

Please take a lateral flow test before meeting people from other households at a JMCS meet or event. Thanks.

INFORMAL ACTIVITY

There is no limit to the number of people who can meet outdoors.

In addition, there is no limit to the number of households allowed to meet, however SG suggests we “be cautious” and “limit contacts where possible”.

Please see [here](#) for “Club Covid Aware Principles”.

JMCS ORGANISED ACTIVITY

WEEKEND HUT MEETS

There is no limit on the number of households allowed to meet. SG suggests we be “cautious” and “limit contacts where possible”.

Social distancing measures in an indoors setting are not required.

Some hut custodians and club owners may still have in place reduced hut capacity related to Covid as well as other requirements.

Participants should consider covid safe travel.

With regards to organised meets, we are required to collect contact details of participants for NHS Test and Protect measures. These will be retained for 21 days.

For this reason, we will require members to prebook their place on a day meet with the meet convenor in the same way as we would for our traditional weekend meets.

Please see [here](#) for other “Club Covid Aware Principles”.

SPECIFIC GUIDANCE FOR CLIMBING OUTDOORS

(Taken from MS guidelines) Can be found [here](#).
